GENERAL & MISCELLANEOUS BRANCH
16 JULY 1928

To

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to Government, Bangalore.

Sir,

I have the honor to state that as the several vaccinators in the District have been feeling much difficulty for want of contingent articles,--such as methylated spirit, soap, towels match box &c.-the District Medical Officer reported in his letter No. 4135 dated 29th April 1928 that if the vaccinators cannot be supplied with such articles on receipt of indents from them they might at least be given a fixed contingent grant of Rs 2/- per mensem each. The matter was discussed at the meeting of the District Board held on 2nd July 1928. The District Board resolved that the District Medical Officer's suggestion might be sanctioned. A copy of their resolution in the matter is herewith submitted for kind perusal. I request that Government may kindly be moved to accord their sanction to the resolution of the Board at an early date.

I have the honor to be,
Sir,
Your most obedient servant,

S. Ranganadhaiya.
For President.
